Adobe Creative Cloud for teams
Applications System Requirements—June 2015 Release

Adobe After Effects CC

Mac OS
- Multicore Intel® processor with 64-bit support
- Mac OS X v10.9 or v10.10
- 4GB of RAM (8GB recommended)
- 6GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- Additional disk space for disk cache (10GB recommended)
- 1440x900 display
- OpenGL 2.0–capable system
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated ray-traced 3D renderer
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows®
- Intel Core™ 2 Duo or AMD Phenom® II processor with 64-bit support
- Microsoft® Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 4GB of RAM (8GB recommended)
- 5GB of available hard-disk space; additional free space required during installation (cannot install on removable flash storage devices)
- Additional disk space for disk cache (10GB recommended)
- 1280x1080 display
- OpenGL 2.0–capable system
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated ray-traced 3D renderer
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Audition CC

Mac OS
- Multicore Intel processor
- Mac OS X v10.9 or v10.10
- 2GB of RAM
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system; optional GPU for optimum video playback performance
- USB interface and/or MIDI interface may be required for external control surface support (see manufacturer's specifi cations for your device)
- Optional: Optical drive for CD burning (SuperDrive recommended)
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows
- Intel Core 2 Duo or AMD Phenom II processor
- Microsoft Windows 7 with Service Pack 1 (64 bit) or Windows 8 (64 bit)
- 2GB of RAM
- 2GB of available hard-disk space for installation; plus additional free space required during installation (cannot install on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system
- Sound card compatible with ASIO protocol, WASAPI, or Microsoft WDM/MME
- USB interface and/or MIDI interface may be required for external control surface support (see manufacturer's specifi cations for your device)
- Optional: Optical drive for CD burning
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Bridge CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.8
- 2GB of RAM
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system; optional GPU for optimum video playback performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Core 2 Duo or AMD Phenom II processor
- Microsoft Windows 7 with Service Pack 1 (64 bit) or Windows 8 (64 bit)
- 2GB of RAM
- 2GB of available hard-disk space for installation; plus additional free space required during installation (cannot install on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system
- Sound card compatible with ASIO protocol, WASAPI, or Microsoft WDM/MME
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Dreamweaver CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 or v10.10
- 2GB of RAM
- 1.1GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7, Windows 8, or Windows 8.1
- 2GB of RAM
- 1.1GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Edge Animate CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 or later
- 1GB of RAM
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7, Windows 8, or Windows 8.1
- 1GB of RAM
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Edge Code CC

Mac OS
- Multicore Intel processor
- Mac OS X v10.7, v10.8, or v10.9
- 256MB of RAM (2GB of RAM recommended for Live Development)
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows
- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 or Windows 8
- 256MB of RAM (2GB of RAM recommended for Live Development)
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Edge Inspect CC

Mac OS
- Multicore Intel processor
- Mac OS X v10.7, v10.8, or v10.9
- 2GB of RAM
- 200MB of available hard-disk space for installation
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows
- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7, Windows 8, or Windows 8.1
- 2GB of RAM
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Edge Reflow CC

Mac OS
- Multicore Intel processor
- Mac OS X v10.7, v10.8, or v10.9
- 2GB of RAM
- 200MB of available hard-disk space for installation
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows
- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7, Windows 8, or Windows 8.1 with Service Pack 1
- 2GB of RAM
- 200MB of available hard-disk space for installation
- 1280x800 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Extension Manager CC

Mac OS
- Multicore Intel processor
- Mac OS X v10.6.8, v10.7, or v10.8
- 1GB of RAM
- 200MB of available hard-disk space
- 1024x768 display (1280x800 recommended) with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows
- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 or Windows 8
- 1GB of RAM (2GB recommended)
- 200MB of available hard-disk space
- 1024x768 display (1280x800 recommended) with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Flash Professional CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 (64 bit) or v10.10 (64 bit)
- 2GB of RAM (4GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x900 display (1280x1024 recommended)
- QuickTime 10.x software recommended
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4, Intel Centrino, Intel Xeon, or Intel Core Duo (or compatible) processor
- Microsoft Windows 7 (64 bit), Windows 8 (64 bit), or Windows 8.1 (64 bit)
- 2GB of RAM (4GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x900 display (1280x1024 recommended)
- QuickTime 7.7.x software recommended
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Illustrator CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9 or v10.10
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended)
- Optional: To use GPU Performance, use a video adapter listed below (medium/high-end recommended); 512 MB of VRAM (2 GB recommended)
- The following Macintosh models support the new GPU Performance features in Illustrator:
    - Mac Pro: Late 2013 and later
    - MacBook Pro: Late 2013 and later
    - iMac: Late 2013 and later
    - iMac Retina 5K display: Late 2014 and later
    - Note: Click Mac > About This Mac > More Info for information on the model you use
- OpenGL 4.x
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 1GB of RAM (3GB recommended) for 32 bit; 2GB of RAM (8GB recommended) for 64 bit
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended)
- To view Illustrator in HiDPI mode, your monitor must support a resolution of 1920x1080 or more. For more information, see Enhanced Windows Support: *HiDPI devices.*
- Open-GL 4.x
- To use the new Touch workspace in Illustrator, you must have a touch screen–enabled tablet or monitor running Windows 8.1 (Microsoft Surface Pro 3 recommended)
- Optional: To use GPU Performance, use a video adapter listed below (medium/high-end recommended); 1GB of VRAM (2GB recommended); and the latest drivers for optimal performance*
- The following video adapter series support the new Windows GPU Performance features in Illustrator:
    - NVIDIA Quadro K Series
    - NVIDIA Quadro 6xxx
    - NVIDIA Quadro 5xxx
    - NVIDIA Quadro 4xxx
    - NVIDIA Quadro 2xxx
    - NVIDIA Quadro 2xxxD
    - NVIDIA Quadro 6xx
    - NVIDIA GeForce GTX Series (4xx, 5xx, 6xx, 7xx, Titan)
    - AMD Radeon R9 Series Graphics
    - AMD Radeon R7 Series Graphics
    - AMD Radeon HD 7000 Series Graphics
    - AMD Radeon HD 8000 Series Graphics
    - Intel HD Graphics 4000 Series
    - Intel HD Graphics 5000 Series
    - Intel Iris Graphics 5000 Series
    - Intel Iris Pro Graphics 5000 Series—GeForce GTX Series (4xx, 5xx, 6xx, 7xx, Titan)
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe InCopy CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 or v10.10
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports Retina display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports HiDPI display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe InDesign CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 or v10.10
- 2GB of RAM (8GB recommended)
- 2.5GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports Retina display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 2GB of RAM (8GB recommended)
- 2.5GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports HiDPI display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe InDesign CC Server

Mac OS

- Multicore Intel processor
- Mac OS X Server v10.9
- 4GB of RAM (8MB recommended); 2–8GB per additional instance
- 1.8GB of available hard-disk space; additional free space required during installation (cannot install on UFS, ZFS, or HFS case-sensitive formatted volumes or partitions)
- 1024x768 display (1280x800 recommended) with 16-bit video card
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor (dual-core and faster)
- Microsoft Windows Server 2008 R2 (64 bit) or Windows Server 2012
- 4GB of RAM (8GB recommended); 2–8GB per additional instance
- 1.6GB of available hard-disk space; additional free space required during installation (Windows virtual memory paging file size must be increased 2GB for each instance of Adobe InDesign Server)
- 1024x768 display (1280x800 recommended) with 16-bit video card; supports Retina display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Media Encoder CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9 or v10.10
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- Additional disk space for working files (10GB recommended)
- 1024x768 display (1280x800 recommended)
- 7200 RPM or faster hard drive (multiple fast disk drives recommended)
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Core 2 Duo or AMD Phenom II processor; 64-bit support required
- Microsoft Windows 7 with Service Pack 1 (64 bit), Windows 8 (64 bit), or Windows 8.1 (64 bit)
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space; additional free space required during installation (cannot install on removable flash storage devices)
- Additional disk space for working files (10GB recommended)
- 1024x768 display (1280x800 recommended)
- 7200 RPM or faster hard drive (multiple fast disk drives recommended)
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Muse CC

Mac OS

- Intel processor with 64-bit support
- Mac OS X v10.8, v10.9, or v10.10
- 1GB of RAM
- Adobe online services that integrate with Adobe Muse CC are available only to users 13 and older.
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*
- Note: 32-bit systems are no longer supported as of June 2014.

Windows

- Intel Pentium 4 or AMD Athlon 64 processor (2GHz or faster) with 64-bit support
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 1GB of RAM
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*
- Adobe online services that integrate with Adobe Muse CC are available only to users 13 and older.
- Note: 32-bit systems are no longer supported as of June 2014.

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Photoshop CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 (64 bit) or v10.10 (64 bit)
- 2GB of RAM
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 16-bit color and 512MB of VRAM, 1GB recommended*
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

Windows

- Intel Core 2 or AMD Athlon 64 processor; 2GHz or faster processor
- Microsoft Windows 7 with Service Pack 1 or Windows 8.1
- 2GB of RAM
- 2GB of available hard-disk space for 32-bit installation; 2.1GB of available hard-disk space for 64-bit installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system)
- 1024x768 display (1280x800 recommended) with 16-bit color and 512MB of VRAM; 1GB recommended*
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

* Note: 3D features will be disabled with less than 512MB.

† NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Photoshop Lightroom 5

Mac OS

- Multicore Intel processor with 64-bit support*
- Mac OS X Server v10.8, v10.9 or v10.10
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space
- 1024x768 display
- OpenGL 3.3–capable graphics card for GPU-related functionality
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

Windows

- Intel Pentium or AMD Athlon 64 processor*
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space
- 1024x768 display
- OpenGL 3.3– and DirectX 10–capable graphics card for GPU-related functionality
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

* Dual-core processor recommended for HD or AVCHD video functionality

† NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see *www.adobe.com/legal.html*). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Prelude CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.8
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system
- QuickTime 7.6.6 software required for QuickTime features
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Core 2 Duo or AMD Phenom II processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1, Windows 8, or Windows 8.1
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
