

Maximize the value of your IT assets with SHI's **Trade-In Services**. Leveraging our simple trade-in process, you can receive SHI account credit or cash back for your old equipment!

The Process

- Send equipment list containing make, model and specs to your SHI Account Team.
- You will receive a quote within 3 business days showing your potential credit.
- We will provide shipping labels or schedule pickup within 5-7 business days.
- You will receive SHI account credit or cash back within 60 days along with all reporting!

Our Trade-In Service includes:

- Data destruction following U.S. DoD 5220.22-M and NIST SP 800-88 R1 guidelines
- Certificate of Destruction
- Serialized Audit Report
- Secure chain of custody
 - Pre-paid shipping labels (*if applicable*)
 - On-site packing & shipping options

Benefits

Flexible trade-in credit – can be applied to new hardware, account balance or cash back

Removes recycling burden

Increases employee satisfaction (shorter refresh cycles)

Take advantage of high residual value for many assets

Customer Success Story

Large Pharma company refreshes 2,600 Apple iPads with SHI; Trades in older devices and receives over **\$250,000!**

What are the guidelines?

- Eligible devices: Desktops, laptops, tablets and smartphones.
- Devices must be under 4 years old.
- Minimum of 5 devices to qualify for trade in.
- Resale value will vary.
- Devices do not need to have been purchased through SHI.
