

# Apple Device as a Service

iPad Pro starting at \$27 per month

## All the power. With all the flexibility.

Qualified customers can procure iPad Pro with no upfront costs starting at just \$27 per month per device for 24 months.<sup>1</sup> Included in this flexible monthly subscription is iPad Pro, AppleCare+, and white glove return service. And you can even return up to 10% of devices after 12 months with no obligation.<sup>2</sup>

Streamline your device procurement, deployment, and maintenance with Apple Device as a Service and keep your workforce running efficiently.

## iPad Pro. The ultimate way to work today.

iPad Pro is exceptionally powerful and capable. Its A10X Fusion chip delivers more power than most PC laptops, while the redesigned Retina display is the most advanced on the planet. With Apple Pencil, the Smart Keyboard, and over a million apps on the App Store, iPad Pro is designed for the world you work in today.

To learn more about how Apple Financial Services can help manage your technology lifecycle plans and save you money, call 1-888-764-8888, or email [Apple@SHI.com](mailto:Apple@SHI.com).

1. Based on 24-month fair market value lease of 10.5-inch iPad Pro Wi-Fi 64GB. At end of term customer can purchase the devices for fair market value, return devices, or continue to lease the devices on a month to month basis. This special offer requires a minimum order of 25 units of iPad Pro and may vary depending on product configuration.

2. Returned devices must be in working order and with normal wear and tear.

Offer valid in the U.S. only and expires September 29, 2018.
