ClickShare

Plug into simplicity, tap into amazing

Find the right ClickShare for your meeting room

Our wide ClickShare range offers wireless presentation solutions fit for any meeting room in your enterprise.

Our entry model (CS-100) is ideal for your huddle rooms & small meeting spaces. This standalone model delivers full HD to meeting room displays and includes one Button for instant sharing.

Our mid range model (CSE-200) is suited for enterprise deployments; the CSE-200 is the choice for rollouts which require enhanced security features or central management.

Our flagship model (CSE-800) is a perfect fit for your conference and boardroom meetings. Offering enhanced features like moderation, blackboarding and annotation.

*8 simultaneously shared sources on-screen on the CSE-800 requires two output displays to be connected and the device to be configured in dual display extended mode
