

LIGHTS OUT DOESN'T MEAN GAME OVER

Business and POS Power Solutions **UP TO \$50 OFF**

Even the slightest power surge can disrupt a retail transaction. CyberPower power protection for point of sale (POS) equipment keeps employees productive, transactions safe, and customers satisfied. Plus, CyberPower has a complete lineup of all-star backup and surge protection for your office equipment, networks, and servers.

Medical-Grade Power Solutions **UP TO \$65 OFF**

MVP patient care requires reliable power protection. CyberPower offers three UPS systems to safeguard against power interruptions, system errors and other power supply malfunctions that could compromise patient comfort, safety, or data.
