Eaton kicks off special pricing for 9PXM!

Our new rookie is your new secret weapon!

Talk about a game-changer! The all-new modular 9PXM UPS is a flexible solution that can function as a tower or rackmount. It has the highest reliability and the lowest cost of ownership in the 4-20 kVA range, making it first-round pick for your customer's needs.

Special introductory offer:

Get a 25%* non-stackable discount on 9PXM UPS and parts only when included in a registration with a minimum of \$10,000 list.

- ⚽ Must be quoted between 9/1/2018 and 12/31/2018
- ⚽ Must be shipped by 3/31/2019
- ⚽ Available through Ingram Micro, Tech Data and Synnex
