Ekahau Pro Software & Sidekick
MFG Part number: EC-PACK

Subscription is required with Ekahau Pro software purchase.

The all-in-one product suite for better Wi-Fi Includes:

- Ekahau Survey Pro
  The site survey tool that sets industry standard for designing, analyzing, optimizing, and troubleshooting Wi-Fi networks.
- Ekahau Sidekick
  Expert device with two Wi-Fi radios and a spectrum analyzer for professional Wi-Fi site survey and troubleshooting.

Ekahau Pro Subscription
MFG Part number: ECS-1YR

The subscription service adds support and additional features to your Ekahau Pro site survey software that includes:

- Ekahau Capture
  Quickly capture Wi-Fi packets using Ekahau Sidekick. You no longer have to invest into dedicated and expensive equipment or fall back on complex and unreliable methods to perform packet capture.
- Ekahau Cloud
  Multiple people in the field can now work concurrently on the same project while critical data can be quickly shared with Wi-Fi experts anywhere in the world so they can help troubleshoot tough to solve problems without ever leaving the office.

Ekahau is the global leader in solutions for enterprise wireless network design and troubleshooting.

More than 15,000 customers, including over 35% of Fortune 500 companies, run their networks with Ekahau's Wi-Fi planning and measurement solutions.

Our easy-to-use, reliable software and hardware tools design and manage high performance wireless networks by minimizing network deployment time and ensuring sufficient wireless coverage across all industries, project sizes, building infrastructures and levels of complexity.
