

Best-in-Class

Lifesize® Subscriptions

Only Lifesize provides an award-winning conference room system with best-in-class mobile apps combined with a cloud video service that connects everyone from the meeting room to the office and on the go.

Add great features like Skype for Business integration, Single sign-on, Lifesize Extreme Support and many more! Lifesize Live Stream is ideal for organizations that want to live stream company meetings, executive updates, trainings and classes to audiences across multiple locations. With Lifesize Record and Share, you can record and share calls instantly and build your own personal video library.

Enhance Your Experience

Lifesize® Icon™ Series

The Lifesize Icon Series offers the simplest and most intuitive video calling solutions on the market. Lifesize Icon systems are as easy to operate as a smartphone with the added bonus of face-to-face interaction, which propels productivity and stronger connected relationships.

Lifesize® Phone™ HD

It's the smartphone for your conference room. Make video and audio calls with unrivaled audio quality, search the directory, share your screen and control the video pan/tilt/zoom right from the customizable touchscreen.

Stay Connected

Anywhere can be your workplace.

No matter where you are, you can enjoy Lifesize from your laptop (PC or Mac®) and the latest Android™ and iOS tablets and smartphones. And with the Lifesize web app, you can make and receive video calls via Google Chrome™ and Internet Explorer® 11 browsers.

Product Matrix

Conference Room Systems

Lifesize Icon conference room systems are so easy to use that you can instantly connect with everyone you need, from anywhere. And when paired with the Lifesize cloud-based service, there simply isn't a more powerful and easy-to-use video conferencing solution available. A Device Software Subscription (DSS) is required for each purchased device to pair to the Lifesize service.
