

SHI and Microsoft Hardware

AS A LEADING ENTERPRISE SOFTWARE AND HARDWARE ADVISOR, SHI OFFERS A COMPLETE SOLUTION FOR ANY OF YOUR MICROSOFT SURFACE NEEDS.

Microsoft Surface – The Choice is Yours.

Designed and engineered alongside Microsoft 365, the Surface maximizes the features of your Microsoft ecosystem while providing exceptional power, performance and uncompromising mobility – all in a beautifully crafted device.

As one of Microsoft’s largest North American partners, we offer the entire Surface product family, including:

Surface Go

Surface Pro

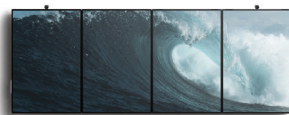

Surface Laptop

Surface Book

Surface Studio

Surface Hub

Modern Devices. Modern Deployment.

Microsoft AutoPilot is a key part to modern Surface deployment.

Gone are the days of building a traditional image for each device and requiring physical touch for IT configuration. Leveraging SHI’s ZeroTouch for Windows 10 and Microsoft’s collection of technologies, a device can be sent directly to the employee and self-configured to your IT department’s company standards.

Our Surface experts will ensure you are successful on your journey to revolutionize your device deployment strategies and enhance your security with Windows 10.
