

THE LIFESIZE ICON SERIES

Video Conferencing Solutions for Every Room

No other video conferencing system offers the ease and versatility of the Lifesize app together with the Lifesize® Icon™ series of meeting room cameras. From mobile-to-mobile exchanges to large auditorium gatherings, only Lifesize delivers one solution for businesses to simply connect the people who need to be in the meeting — from anywhere, any room and any device.

THE HUDDLE ROOM

We know it's often the small teams that get the work done. The Lifesize® Icon 450™ is designed to bring the power of video collaboration to small meetings. Sized perfectly for huddle rooms and wherever small teams congregate, the Lifesize Icon 450 delivers an unparalleled experience to the small meeting room where teams meet to share knowledge and power through projects.

THE CONFERENCE ROOM

Conference rooms and boardrooms are the classic settings for video calls. These rooms, equipped with video, let large teams connect and build relationships through regular, face-to-face business conversations. A Lifesize® Icon 600™ video conferencing system, with support for multiple displays and multiple microphone inputs, pairs nicely with the larger room size of the conference room.

THE AUDITORIUM SOLUTION

The Lifesize® Icon 800™ delivers the ultimate communication experience to auditoriums and other large meeting spaces. Additional audio and video inputs let you connect multiple devices — from cameras and laptops to DVRs and microphones — to drive an immersive large-room meeting experience. The rack-mountable design enables system integrators to install the Lifesize Icon 800 into any industry-standard server, podium or other rack-mount space.
