

Reference Architecture Branch in a Box | StorMagic and APC by Schneider Electric

The complete solution from StorMagic and APC utilizes key components from APC™ by Schneider Electric's data center infrastructure portfolio including its physical enclosure, UPS, PDU, cooling, environment monitoring, and security and management software. They also include redundant Hyperconverged Appliances Powered by StorMagic & Dell EMC.

FRONT

BACK

All Hardware Components Included — Ready to Power Up

- Physical enclosure, UPS, PDU, cooling, environmental monitoring, and security and management software
- Two Dell EMC servers including system memory, disk drives, and/or solid-state disks
- Two Dell EMC network switches

All Operational Software Preinstalled and Ready to Boot

- VMware vSphere or Microsoft Hyper-V hypervisor
- StorMagic SvSAN software, including mirroring for high-availability

Components	QTY	Product	Description
HCI Appliance	2	SM740HCI	StorMagic Dell EMC R740 Hyperconverged Appliance
Network Switch	2	N1524P	Dell EMC Hero Smart Value Flexi Networking N1524P
Rack	1	AR4018SPX429	NetShelter CX 18U Soundproof Enclosure
UPS	1	SRT3000RMXLI-NC	APC Smart-UPS SRT 3000VA RM 230V Network Card
PDU	2	AP7921B	Rack PDU, Switched, 1U, 16A, 208/230V, (8) C13
Access Control	1	NBACS125	NetBotz 125kHz Rack Access Control
Access Control	1	AR4602A	NetShelter CX High Security Handle Adapter Kit
Cable Management	1	AR8429	Horizontal Cable Organizer 1U w/ Brush Strip
Power Cord Kit	1	AP8704R-WW	Power Cord Kit (6 ea), Locking, C13 to C14 (90 Degree), 1.2m
Cooling	1	AR4703	NetShelter CX Fan Booster Ki
Dust Filter	1	AR4701	Dust Filter Pack NetShelter CX Mini, 18U & 24U – includes 2 Small Filters

Providing Certainty in a Connected World

APC by Schneider Electric is the leading brand worldwide for integrated IT infrastructure and software. With a wide array of products that provide reliable power and availability solutions for IT and communications technologies APC delivers, Certainty in a Connected World. With the largest community of partners tailoring solutions for home and business networks, APC protects critical information and data for individuals and businesses. APC is a brand of Schneider Electric, the global specialist in energy management and automation.

About Schneider Electric

Schneider Electric is the global specialist in energy management and automation. With revenues of ~€25 billion in FY2016, our 144,000 employees serve customers in over 100 countries, helping them to manage their energy and process in ways that are safe, reliable, efficient and sustainable. From the simplest of switches to complex operational systems, our technology, software and services improve the way our customers manage and automate their operations. Our connected technologies reshape industries, transform cities and enrich lives. At Schneider Electric, we call this Life Is On.

About StorMagic

Established in 2006, StorMagic is simplifying storage at the edge. Its virtual SAN makes edge computing simple for everyone from large corporations with thousands of sites, to companies running a single small data center. StorMagic offers customers that are dissatisfied with the cost and complexity of external SANs a highly available, two-server solution that is simple, cost-effective and flexible.
