

# Adobe Creative Cloud for enterprise - Pro editions for Government

The platform for creativity, now with unlimited Adobe Stock images

As budgets and timelines tighten, government agencies often struggle to quickly deliver engaging content.

85%

are *under pressure*  
to create assets faster

63%

are *impacted by*  
workflow challenges\*

## One Platform, Endless Creativity

Pro editions have all the tools your government agency needs to deliver content that makes an impact:

- Creative Cloud apps and services
- Unlimited access to over 200 million Adobe Stock images<sup>^</sup> with an extended license, our most generous grant of rights
- Creative insights, trend forecasts, and curated content

Adobe Stock is built right into Creative Cloud apps, so your team can work more efficiently and finish projects faster.

## Increase Content Velocity

### Find the right image faster

Smart search tools and unlimited access to over 200 million images help creatives pinpoint exactly what they need, fast.

### Improve collaboration

Creative Cloud Libraries let teams save, organize, and share assets so everyone stays connected and on-brand.

### Reduce risk

Every Adobe Stock image comes with an extended license and legal indemnification so you have peace of mind.

### Streamline administration

Simplify purchasing and administration with all the tools you need in a single platform.
