

Authorized Reseller

iOS Cellular  
Activation Services

**As a global provider of information technology, SHI offers a complete solution for your iPad and iPhone cellular device activation. From procurement to configuration, SHI allows for ready to go activated cellular devices right out of the box.**

## Stay Connected

---

Allow SHI mobility technicians to help take the stress out of cellular rollouts and find the right iOS device for your workforce.

Our state of the art Integration Center and dedicated team accommodates cellular rollouts of all sizes to deliver connected devices directly to your field workforce.

SHI's activations team works directly with your preferred carrier to activate, deactivate, suspend and monitor cellular devices.

## Why SHI

---

- Simplified procurement process
- Central point of contact
- Unlocked and SIM free iOS models
- Ability to activate devices with all major carriers (AT&T, T-Mobile/Sprint, Verizon)
- Seamless activation process
- Third-party helpdesk support
- Global deployments
- Customized configuration projects

**To get started with device activation contact your SHI Account Executive today.**
