Room Types

Huddle Rooms

A huddle room is a small and private meeting area seating 1-4 people. Depending on its size and needs, an organization may have several huddle rooms.

CAM340+, VB342+, EP65

Small Conference

Small sized collaboration spaces are larger than huddle spaces and can accommodate 4-7 people. These are corner offices, study spaces, meeting rooms or larger home offices.
CAM340+, VB342+, CAM540, EP65

Medium Conference

Smaller in size than standard conference rooms, medium sized collaboration spaces accommodate 7-12 people. This is your typical executive conference room.

CAM540, CAM520 PRO, CAM520 Pro2, VC520 PRO, VC520 Pro2, EP65

Large Conference

Large conference rooms are equipped with teleconferencing and collaboration technologies. They can accommodate 12-20 people. Most offices only have one of these spaces. This is probably the space where meetings which include all employees happen.
