About LG Business Solutions

As work habits evolve, businesses develop a critical need to communicate and share effectively. LG Business Solutions offers professional solutions in information display, system air conditioning, lighting and energy. As a leader in B2B innovation, LG Electronics Business Solutions aims to provide a total solution encompassing consultancy, installation, maintenance and support in collaboration with its professional business partners.

About Cisco

Cisco Systems, Inc. is an American multinational technology conglomerate headquartered in San Jose, California, in the center of Silicon Valley, that develops, manufactures and sells networking hardware, telecommunications equipment and other high-technology services and products.
