LG Business Solutions

This isn't a laptop. It's a business plan.

LG gram
for business

The LG gram for business gets you where you're going. It has the versatility for demanding workdays, the agility for changing strategies, the endurance to handle tough conditions, and the stamina to push through to your next move.

This all-new lineup of LG business laptops offers ultimate portability and enhanced performance for the hardest workloads and most ambitious objectives.

LG Gram 14 2-in-1
for business

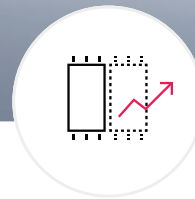

Lightweight and seamless design

Wherever the workday takes you, your laptop can't hold you back. With multiple form factors weighing under three pounds, the LG gram for business travels wherever you need it to, whether in the palm of your hand or a tray table.

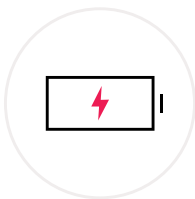

Redefine expectations with a stunning LG display

The LG gram for business has a viewing experience only LG can deliver. With sharp WQXGA (2560x1600)¹ and FHD IPS displays, you see precise detail on video, documents, and web searches. Available in 17", 15.6", and 14" sizes.

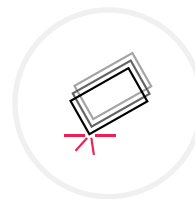

Do virtually anything with powerful performance

Execute your vision with a robust combination of processing and memory that can manage virtually any workload.²

Stay powered up for the always-on office

Since your business never truly closes, the LG gram portfolio lets you work adapter-free day and night, with models like the LG gram 14 2-in-1 offering up to 21 hours of productive work time.³

Handle the pressure with military-grade durability

Built to pass seven MIL-STD-810G durability tests, the LG gram for business performs even in severe working conditions.⁴

1. Available on LG gram 17 for business only.

2. Dual channel memory feature may not be available in all countries.

3. Based on 2014 MobileMark® testing conducted under normal usage conditions in an internet-enabled environment. Measurement conditions include brightness (150 nit), document work (Adobe, Excel, Word, PPT, Outlook etc.), and standby state (50 percent). Maximum usage time may change depending on product configuration, conditions of use and environment.

4. Passed 7 different MIL-STD 810G Tests for durability conducted by KOLAS Labs that conforms to U.S. military standards. Compliant with the following methods for MIL-STD-810G: 500.6 Procedures I and II - Low pressure (altitude); 501.6 and 502.6 Procedures I and II - Temperature; 509.6 - Salt fog; 514.7 - Vibration; 516.7 - Shock; 516.7 - Drop; 510.6 - Dust. Device may not perform as tested in all conditions. Test performed in controlled environment. Do not attempt.

LG gram 17 for business

Wider. Lighter. Stronger.

A 17-inch display doesn't mean it's harder to carry—it means more productivity. The next-gen LG gram 17 has more real estate for multitasking, more power for demanding applications, and more features for all-day comfort.

More screen in less space

The LG gram 17 for business fits a 17" HD IPS display in a 15.6" chassis, powered by next-gen Iris® Plus graphics.

Desktop-style keyboard

The new LG gram 17 for business includes enlarged keys and a four-column numeric keypad for a smooth typing experience.

LG gram 15 for business
 LG gram 14 for business

The right size for anyone

Compact and versatile, the LG gram 14 and 15 offer an excellent balance of portability and performance. Whether you need more screen or a go-to carry-on, pick the laptop that suits your work life and never look back.

More screen

The LG gram 15 provides the extra screen space you need for multitasking and productivity.

LG gram 14 2-in-1 for business

Flexible, anywhere

Tackle the toughest projects anyway you want. With the LG gram 14 2-in-1, you can switch between multiple modes to suit your preference or need. And when inspiration strikes, use an LG stylus to write or draw on its responsive touchscreen.

Twice the functionality

Whether as a laptop, tablet, stand, or tent, you can flex this laptop to your work preference or project demand.

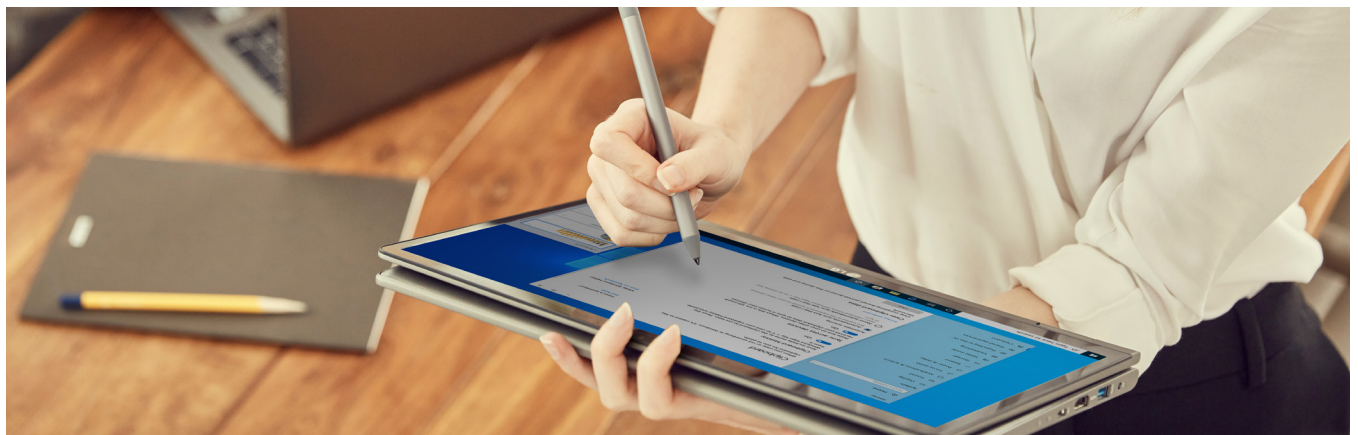

Tough and sensitive

Sturdy Corning® Gorilla® Glass 6 adds an additional layer of durability without limiting touchscreen response time.

Type, write, or draw

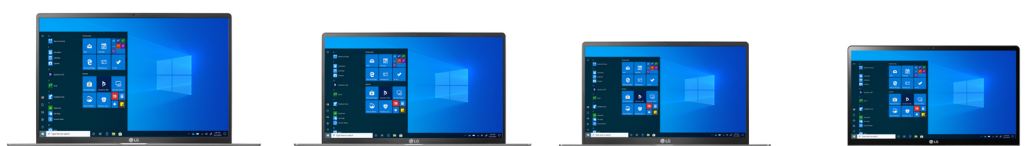

The convertible LG gram 14 2-in-1 comes with a Wacom AES 2.0 stylus for a natural and responsive writing and drawing experience.
