POLY SYNC 20

Let’s face it: the audio on your laptop and smartphone aren’t great. Sound like the professional you are with Poly Sync 20 USB/Bluetooth® smart speakerphone—for remarkable conference calls and music anywhere. Take it wherever you go—it’s battery lasts for hours and can charge your smartphone. You’ll always hear and be heard. The multimedia quality sound is a music-lover’s delight. Designed specifically for today’s professional, it’s sleek, compact, and filled with smart features to keep conference calls simple.

- Keep your smartphone charged and ready.
- Slim and portable, comes with a carrying case.
- Works with computers via USB, and with smartphones via Bluetooth®.
- Connect wirelessly to computers via the included BT600 adapter (Poly Sync 20+).
- IP64 dust- and water-resistant.

PERSONAL, USB/BLUETOOTH® SMART SPEAKERPHONE

BENEFITS

- Keep the focus on your voice, not the background noise with a multi-microphone steerable array for echo and noise reduction.

- Let people talk simultaneously for natural conversations without missing a word with full duplex audio.

- Get more done and get in the groove—using this portable speakerphone + portable charger + high-performance music speaker, all in one.

- Enjoy more clarity on every call thanks to the bass reflex system with dual passive radiators for natural voice and deep bass.

- Work on the go all day long—the battery stays charged for up to 20 hours.
