

Make every meeting bigger and better.

BEN Series UHD Commercial Display

The better the display, the better the meeting. And the better the meeting, the better the business. The value-priced BEN Series 82" commercial display features UHD resolution in a sleek, sophisticated design that's bezel-less on three sides. It offers a clear, colorful screen that makes it easy for all meeting participants to see all the details, and features durable, 16/7 operation. Business-friendly features include a built-in tuner, embedded Wi-Fi, integrated speakers, RS232C control via Ex-Link, and a variety of ports that aid seamless collaboration. With value pricing and a premium design that will elevate any boardroom, conference room or meeting space, the Samsung BEN Series display is a smart decision for any business.

Key Features

4K UHD

UHD-Quality Content

Featuring state-of-the-art UHD picture quality, the BEN Series display commands attention. Details are easily shared, whether text or images. Presentations have more impact. With 3840 x 2160 resolution, the BEN Series display showcases content with four times more detail and clarity than FHD.

Bright, Brilliant, Glare-Free Picture Quality

The BEN Series display ensures readability in bright environments through a 300-nit non-glare front panel. The enhanced design reduces reflection and ensures content has maximum impact.

Elevate Visual Appeal in any Setting

Bezel-less on three sides, the Samsung BEN Series display transforms any meeting space into a visually appealing experience that's both striking and inviting.

Connect with Convenience

The BEN Series display offers a range of connections, including four HDMI, an RJ45, two USB ports, and RS232C control via Ex-Link. With an extended interface, users can easily use a wide array of devices, to share content and participate more fully.

Reliable 16/7 Operation

Commercial-level cooling technologies offer 16/7 performance with dependable reliability. Meet any time of day or night. The Samsung BEN Series display will be ready.
