

# Unlock productivity without compromise.

## Unlock true mobility in the smartphone your business has been waiting for.

The Samsung Galaxy A50 has everything businesses need in a smartphone, including the freedom to work the way you want. Unlocked by Samsung smartphones allow you to choose your carrier and plan. Best-in-class Knox security and easy fleet management make them ideal for practical, scalable enterprise deployments. The Galaxy A50 provides enterprise capabilities that make any mobile workforce more efficient.

### Unlock Freedom

Carrier or no carrier. It's your choice. With Unlocked by Samsung smartphones, you have the freedom to choose what works best for your employees.<sup>1</sup> You can also standardize on one device across multiple carriers, greatly simplifying IT. And no-contract Unlocked by Samsung smartphones can be customized for a company's secure Wi-Fi environment where no carrier network service is necessary, for the functionality of a tablet with the portability of a hand-held device.

### Unlock the Mobile Device Experience

Unlocked by Samsung smartphones don't come pre-loaded with carrier apps, so you have a consistent user interface (UI), and you can customize device software. And Unlocked by Samsung smartphones are optimized for U.S. carrier networks,<sup>1</sup> with access to exclusive Samsung services like Knox and Samsung+ personal support.<sup>2</sup>

### Unlock Value

When everyone has the same UI, you have lower training and support costs. You have the right contract with the carrier of your choice, or even have no carrier at all. Software updates are easily managed, and you can configure devices in bulk.

### Mobile Performance

Be drawn into the brilliant 6.4" Super AMOLED display<sup>3</sup>. The all-day battery<sup>4</sup> lasts up to 35 hours, and when you need a boost, charge up quickly with Fast Charging. You get a 3.5mm headphone jack and Bluetooth 5.0 connectivity.<sup>5</sup> The user-friendly interface lets you get right to what you want with one hand. And the Galaxy A50 features a 25MP/5MP/8MP multi-lens rear camera with an ultra-wide 123° field of vision, as well as a 25MP front camera.

### Made for Business

With 64GB of built-in storage, you can store your documents, meeting notes and data. For more space, simply expand up to 512GB with an optional microSD card.<sup>6</sup> And connect seamlessly from access point to access point with Wi-Fi 802.11 r/v/k support.

### Security and Control

With the in-display fingerprint scanner, unlocking your Galaxy A50 is as easy as touching the screen.<sup>7</sup> Data stays secure with Samsung Knox, our defense-grade security platform built from the chip up.<sup>8</sup> From device configuration, enrollment and management to advanced mobile security controls and updates, Samsung has the mobility software and enterprise mobility services you need for every stage of the device lifecycle.
