Smarter scanning and charging.

Save now with multiple Galaxy Tab Active2 scanning and charging bundles!

Samsung and Koamtac offer you a rugged scanning solution for the field.

Power the Galaxy Tab Active2 with Koamtac's KDC470 scanner and charging cradle. The KDC470 easily attaches to your device via a custom case, turning it into a powerful data processor for work in the field. Whether your team needs to read barcodes, UHF RFID, HF RFID, or even take payment, the KDC470 was built for a workforce that never stops. With an IP68 rating, this tough tablet is water and dust resistant, so your team can use it worry-free in the harshest environments. Plus, paired with a uniquely designed charging cradle, your team can now simultaneously power Galaxy Tab Active2 and KDC470 devices, so your team can work better, anywhere.
