# Dedicated Mobile Hotspot

## A Simple, Out-of-the-Box Solution

Users simply turn on the device, and it becomes a dedicated hotspot, preconnected to a cellular provider.

## An Easy Hotspot for Workers or Students

A simple way to work or study at home. No user-adjustable settings means training and support are minimized.

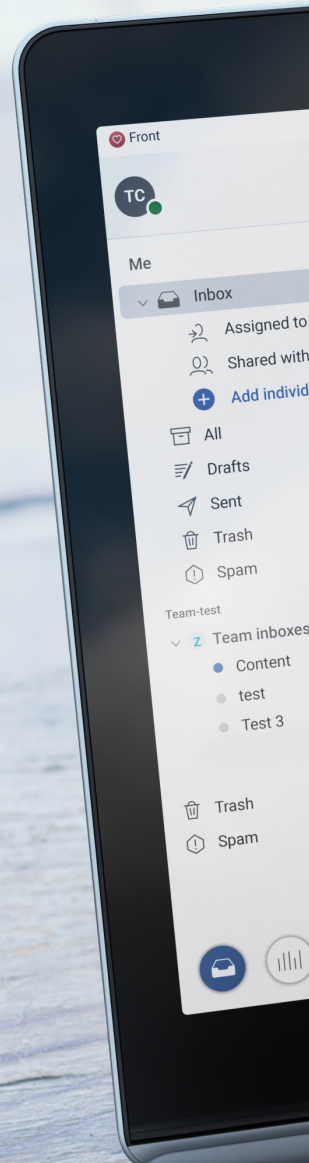

## Customizable to Your Organization

Devices can be customized to reflect your organization's branding, including customizing the home screen.

## Future Flexibility

When you no longer require hotspots, the devices can be restored to factory settings and repurposed.

## Dedicated Mobile Hotspot Solution

- Samsung Galaxy A Series smartphone or tablet
- Preconnected to cellular network
- End-to-end security with Samsung Knox
