

SAMSUNG

No matter where business takes you, take business with you.

Galaxy Tab A | S6 Lite

Maximize mobility and productivity while ensuring security.

Empower your team to work from anywhere. The Samsung Galaxy Tab A Wi-Fi and LTE tablets and the Galaxy Tab S6 Lite Wi-Fi tablet are powerful business tools designed to improve productivity and workflow efficiencies throughout the mobile enterprise. Productivity is improved through real-time communication, and Samsung Knox enterprise-grade security protects sensitive data. They're the ideal field companions for workforces on the move.

Productivity in multiple form factors

Want to improve your business and increase workforce productivity? The Galaxy tablets from Samsung are available in multiple form factors (Galaxy Tab A 8", Galaxy Tab A 8.4", Galaxy Tab A 10.1" and Galaxy S6 Lite 10.4") to allow your workforce to take work with them anywhere they go.

Thin and light design facilitates mobility anywhere

The thin, lightweight design of the Galaxy Tab A and Galaxy S6 Lite tablets allows employees to work from anywhere, and enables better productivity, collaboration and communication. With up to 13 hours of battery life¹, they can be productive all day. Add optional keyboards and a case with stand for powerful productivity solutions.

Enhanced power and connectivity

Android 9 Pie provides enhanced business features such as battery-saving capabilities, multi-window multitasking² and enhanced security. Connectivity includes Dual Band Wi-Fi, Wi-Fi Direct, LTE (Galaxy Tab A 8.4") and Bluetooth. And processors of up to 1.8 GHz octa-core provide powerful performance.

Enterprise security and mobility management

Protect sensitive data with the Samsung Knox defense-grade security platform. Samsung Knox IT solutions provide end-to-end solutions that are trusted and secure. Explore your options from device configuration, deployment and maintenance, to enterprise mobility management, to data protection and container solutions.³
