

ZEBRA

GOVERNMENT & PUBLIC SECTOR TECHNOLOGY

BETTER VISIBILITY TO MEET MISSION REQUIREMENTS

ZEBRA'S PUBLIC SECTOR TECHNOLOGY SOLUTIONS EMPOWER GOVERNMENT AGENCIES TO IMPROVE EFFICIENCY WITH ASSET TRACKING AND DATA CAPTURE DEVICES

Federal government agencies face challenges in changing circumstances, and they must be able to react quickly and make the right decisions. No matter the mission – transportation to agriculture, disaster response to education – Zebra's best-in-class technology solutions enable agencies to track assets, enhance mobility, enforce safety codes, verify identities, protect critical infrastructure, enforce border protection and more. Our solutions help agencies capture real-time data to achieve regulatory compliance, improve services and meet their mission requirements.

Government Asset Management	Identity Management for Government	Military Supply Chain & Logistics	Military Commissary & Exchange Service Inventory Management	Disaster & Emergency Management Technology
See and manage your total asset inventory.	Enhance security with fast accurate identity management.	Manage your military supply chain for smooth, secure operations around the clock.
