Free Adobe Spark teaching resources

Get started fast with classroom content created by teachers and students

Free, easy-to-use Adobe Spark apps are ideal for K-12 teaching and learning. By empowering your students to quickly create great-looking graphics, web pages, and videos as part of their class projects and assignments, Spark apps help students master important academic concepts, develop digital literacy, and build their critical-thinking and creative problem-solving skills.

Get free lessons and projects for every grade and core subject

Ready to get started with Spark in your classroom? We've pulled together an amazing collection of lessons and projects in one place to help you make the most of these versatile tools. Simply visit edex.adobe.com/spark, choose a grade level, and then choose your class subject. You'll find engaging, creative lessons like these and dozens more:

English, grades K-2: The Alphabet Rocks edex.adobe.com/en/resource/v97baafe1

Students create letters out of rocks and pebbles to build a graphical alphabet using Adobe Spark Post.

History, grades 3-5: Biography Project edex.adobe.com/en/resource/v529f0b39

Students make a video report spotlighting a notable person in U.S. history using Adobe Spark Video.

Math, grades 6-8: Area of a Triangle in Nature edex.adobe.com/en/resource/vd1795d57

Students use Adobe Spark Video to show how they found the area of a triangle from an object in nature.

Math, grades 9-12: Using the Mean edex.adobe.com/en/resource/v2037598c

Students create an Adobe Spark Page website showing how to use mean to calculate averages in everyday life.

Social science, grades 9-12: Historical Comic Strip edex.adobe.com/en/resource/va43ecc38

Students use Adobe Spark Post to create comics that illustrate key events that led to the U.S. Civil War.

Visit the Spark teaching resources page today

In addition to classroom resources, you'll also find teacher-taught courses and professional development opportunities designed to help you build your skills and bring engaging lessons to life in your classroom.
