\$1,000 savings is based on the combination of current device quality trade in value through SHI Asset Recovery Services and optional 30% guaranteed buyback from Apple Financial Services (AFS) in 3 years.

¹Battery life varies by use and configuration. See apple.com/ca/batteries for more information. ²The displays on the 14-inch and 16-inch MacBook Pro have rounded corners at the top. When measured as a standard rectangular shape, the screens are 14.2 inches and 16.2 inches diagonally (actual viewable area is less).

³Offer for 1.99% APR financing from AFS requires a minimum of \$5,000 in Apple product. Offer valid in the U.S. for a limited time on MacBook Pro M2 14-inch and 16-inch models. Offer will vary based on final products included. Optional guaranteed buyback for devices returned in good working condition at end of term is equal to 30% of 14-inch or 16-inch MacBook Pro sale price. \$750 guaranteed buyback is for informational purposes only and based on a \$2,499 MacBook Pro 16-inch configuration.
