

# Hybrid Work

From home. In the office. Anywhere.

Hybrid Work has redefined your organization and how you work

98%

of all meeting will have at least one remote participant.<sup>1</sup>

<sup>1</sup> The Rise of the Hybrid Workplace, Dimensional Research

96%

want to improve their work environments with intelligent workplace technology.<sup>2</sup>

<sup>2</sup> Embracing the Hybrid Workplace eBook

48%

of CIOs predict that more than half of their IT budget will be spent to bring pandemic technology investments to full potential.<sup>3</sup>

<sup>3</sup> Accelerating Digital Agility Cisco, 2021

Hybrid Work requires the evolution of traditional on-site and off-site work models for the new era of work.

Hybrid work solutions must be:

Supportive

Flexible

Secure

Inclusive

And **Managed**, delivering modern infrastructure with frictionless administration. How do you balance it all? What's the path forward?
