# ESET® BUSINESS SOLUTIONS

PREVENT BREACHES WITH PROVEN DIGITAL SECURITY

Radically effective cybersecurity that is powerful but extremely light on your endpoints. By employing multiple layers of security, backed by global threat intelligence, it minimizes uncertainty and equips you with extensive visibility into your digital ecosystem.

- Modern Endpoint Defense
- Threat Hunting
- Automated Response
- Forensics
- Advanced Machine Learning
- Ransomware Shield

ESET® PROTECT PLATFORM

Perfectly balanced, **cloud-based cybersecurity, delivered through an easy-to-manage platform**. Scalable, to meet the needs of any modern organization, and powered by unique, multilayered ESET LiveSense® technology.

- Research-driven
- XDR-enabled
- AI-powered

Built to Protect. Built to Scale. Built to Win.

WHY ESET?

When technology enables progress, ESET is here to protect it.

ESET® brings over 30 years of technology-driven innovation and provides the most advanced cybersecurity solutions on the market. Our modern endpoint protection is powered by unique multilayered security technologies, combined with the continuous use of machine learning and cloud computing. Backed by the world's best threat intelligence and research, ESET products offer the perfect balance of prevention, detection and response capabilities. With high usability and unparalleled speed, we are dedicated to protecting the progress of our customers, ensuring maximum protection.

Leading European Union vendor	Private company, debt-free	Owned by original founders	Always focused on technology	Growing YoY since its inception	Strong values

★★★★★

"I thought it was normal that security software installed on PCs caused slowdowns. But ESET is very different. It does its job in the background without us even noticing."

Hirokazu Minoguchi, IT Division Expert, Mitsubishi Motors
