

Comprehensive PC security, made simple.

94% of cyberattacks come in via email.*

Protect your organization with a simple endpoint security solution that keeps employees productive

Effective endpoint protection for small and mid-sized organizations

Stops attacks including phishing and ransomware using hardware-enforced isolation technology

PC software, managed from the cloud

Security Made Simple

1

CLOUD-BASED CONTROL

Centralized management console for all PCs¹

LOWER IT COSTS

Fewer high priority tickets and less remediation

FLEXIBLE CONSUMPTION

HP Wolf Pro Security (WPS) is available preloaded on WPS Edition PCs² or purchased as a standalone software³ for any Windows PCs⁴

Protection You Can Trust

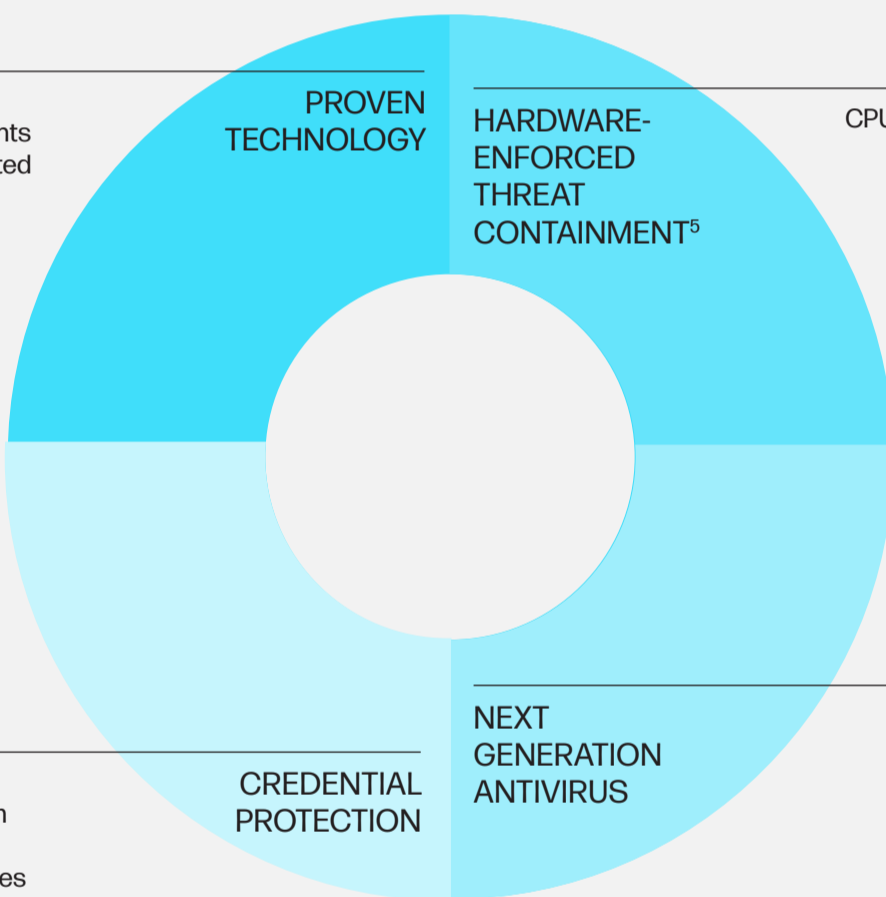

Over 18 billion web clicks, downloads and attachments protected without a reported compromise

2

Protects credentials by preventing end-users from entering usernames and passwords on fake websites

PROVEN TECHNOLOGY

HARDWARE-ENFORCED THREAT CONTAINMENT⁵

CREDENTIAL PROTECTION

NEXT GENERATION ANTIVIRUS

CPU-enforced isolation means malware can't get around it

Uses AI to protect PCs from emerging and known threats

Keep employees productive

3

WORK WITHOUT WORRY

Users work with documents and the web as normal, without worrying about infecting the organization

AUTOMATIC PHISHING PROTECTION

Users do not have to be trained as "human phishing detectors"

FULL PROTECTION ANYWHERE

Work securely from home, office or on the road whether on the internet or off

¹ HP Wolf Pro Security Controller requires minimum 25 devices.

² Supported browsers for Threat Containment include the following browsers for Microsoft Windows: Microsoft Edge, Google Chrome, Mozilla Firefox or Chromium. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files, when Microsoft Office or Adobe Acrobat are installed.

³ HP Wolf Pro Security is available in one and three year term licenses from authorized HP channel partners. At the end of the Initial Term you may purchase a renewal license for HP Wolf Pro Security from an HP Channel Partner. See <https://www.hpwolf.com/terms-and-conditions/> for complete Terms of Service.

⁴ Wolf Pro Security supports Microsoft Windows 10 Professional and Windows 11 Professional operating systems.

⁵ HP Wolf Pro Security Edition is available preloaded on select SKUs and, depending on the HP product purchased, includes a paid 1-year or 3-year license. The HP Wolf Pro Security Edition software is licensed under the license terms of the HP Wolf Pro Security Software - End-User license Agreement (EULA) that can be found at: https://support.hp.com/us-en/document/ish_3875769-3873014-16 as that EULA is modified by the following: "7. Term. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the license for the HP Wolf Pro Security Edition is effective upon activation and will continue for either a twelve (12) month or thirty-six (36) month license term ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP.com, HP Sales or an HP Channel Partner, or (b) continue using a limited version of the threat containment, malware prevention, and credential protection technology at no additional cost with no future software updates or HP Support.
