

Perfect Monitor For Work and Learning

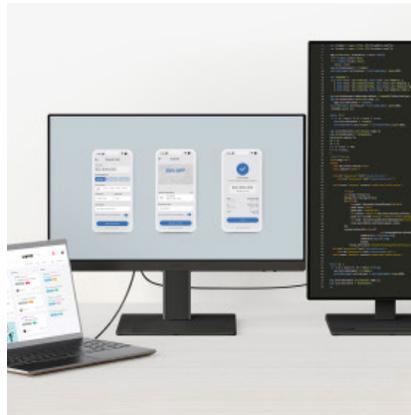

BenQ BL2485TC/BL2785TC Eye-Care Monitor

IPS | USB-C | Noise-Cancelling Microphone | Speakers

Versatile Connectivity

One single USB-C™ cable simultaneously provides fast data transfer and 60W power delivery for your laptop. Thoughtfully-placed ports downstream data and power to your phone and heightens convenience for various devices.

Daisy Chain

Create a multi-monitor setup for extra screen real estate and a decluttered workspace by daisy-chaining. Utilize pivot rotation to customize views on multiple displays.

Ergonomic Design

Easily customize the height, tilt, pivot and swivel of the monitor to boost efficiency in an ideally comfortable user environment.

Coding Mode

Designed to make every code line vivid for easy readability with optimized contrast and saturation of the dark IDE. Enhancing eye comfort for programmers.

Smart Screen Brightness Optimization

Protecting your vision with superb image quality, the Brightness Intelligence (B.I.) sensor detects and actively adjusts the screen to match your environment.

Industry-Leading Eye-Care Technology

BenQ's exclusive Eye-Care technologies reduce eye fatigue for user comfort, enhance productivity and provide workplace safety during extended use.
