TURBO ATTACHÉ 3 USB 3.0 FLASH DRIVE

PNY's Turbo Attaché 3 USB 3.0 is built for speed & convenience. Experience USB 3.0 next generation speed performance with transfer speeds up to 10x faster than USB 2.0. It's the perfect solution for easily storing and quickly transferring all your large documents, high-resolution photos, HD videos, and more. USB 3.0 offers the same ease-of-use and plug-and-play capabilities as previous generations of USB technologies, but with exceptional speed improvements. Designed for Reliable Portable Storage, PNY's Turbo Attaché 3 USB 3.0 Flash Drive is designed with convenience and portability in mind. The portable, light-weight Flash Drive incorporates a sliding collar cap less design that means for no more lost caps. This USB 3.0 Flash Drive is small in size, but big on performance!

- Convenient sliding collar, and cap-less design protects your content when not in use
- Included key loop easily attaches to keychains
- Transfer speeds up to 10 times faster than standard USB 2.0 flash drives
- Essential for transferring large files such as movies, videos, photos, music & documents
- Backwards compatible with USB 2.0 devices
- Compatible with most PC and Mac laptop and desktop computers
