Galaxy Book2 Business

Secure productivity for your hybrid workforce

Protected

Your team can work here, there and everywhere with complete peace of mind. Galaxy Book2 Business places an emphasis on security.

Productive

Three configurations and plenty of ports offer you flexibility. And connecting your Galaxy devices expands your work possibilities.

Professional

Galaxy Book2 Business gives you the power and the video quality to always look your best. And MIL-SPEC toughness gives you reliability.

Galaxy Book2 Business

Secure in any environment

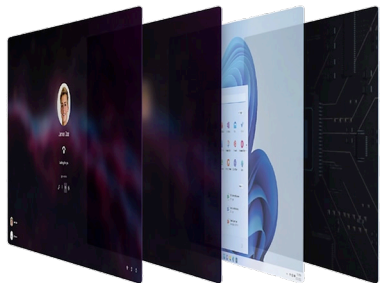

Protected

Security that's all about your business

- Windows 11 Pro Secured-core PC offers Secure boot, TPM 2.0 and BitLocker protection
- Intel Hardware Shield guards hardware, while Intel EMA allows remote management of devices and apps
- CPU behavior and GPU offloading are monitored for threat detection
- Fingertip scanner lets you quickly unlock your laptop

Protection from the chip level up

- Extra layers of below-the-OS security
- Secure embedded processor validates BIOS Firmware before Intel Boot Guard
- Builds a Trust chain and binds main hardware, for safe recovery even in the event of a boot failure
- BIOS Auto-Recovery automatically recovers using the latest backup copy
- BIOS Data Protection detects and tracks tamper alerts on security-critical data

Productive

Designed to fit your workforce

- Three configurations: 16GB/256GB, 16GB/512, 32GB/1TB
- All models expandable to 64GB/1TB

Wide range of ports for convenience

- USB-C, Thunderbolt 4, RJ45 and more
- Connect your Galaxy Book2 Business to a range of devices, monitors and peripherals

Share files remotely and securely

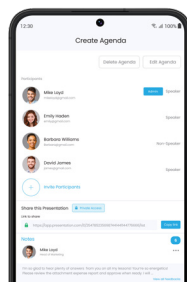

- Blockchain-based Private Share lets you customize expiration dates for sharing, retract viewing rights and prevent file capture and resharing¹

Save time with quick log in

- Anti-spoofing IR Cam recognizes faces accurately
- Level3 Fingerprint Recognition Key
- Saves time when logging in multiple times a day

Unite your Galaxy

- Galaxy devices sync wirelessly with each other
- Access or transfer a file, photo or text on any device
- Start a call on one device, continue it on another
- Extend your workspace by using a phone or tablet as a second screen

Professional

Thin, portable and amazing

- 14" FHD screen, just 0.7" thin when closed
- Sleek, stunning design makes a great impression

Powerful and fast

- 12th Gen Evo certified Intel processor
- Stream webinars and video conferences with ease

Video chat in high definition

- Look and sound your best during online meetings
- Camera can be covered via integrated shutter when not in use, for security and privacy
- Full HD camera with 1080 pixel wide-angle view
- Dolby Atmos sound and intelligent noise canceling
- 720p camera with Auto Framing keeps you front and center on video presentations

MIL-SPEC reliability

- Passed 16 tests for MIL-STD-810H rating
- Galaxy Book2 Business is built to withstand shock, vibration, rapid temperature changes and more
