## Break the rules of business

Meet Galaxy S22+, the phone that resets the expectations of mobile productivity, bringing your team together no matter where they are.

### **Create, edit and collaborate more conveniently**

Microsoft Office is optimized for Galaxy S22+ so you can get work done efficiently and collaboratively.

### **Capture pro-grade photos and videos that reflect your business**

The new Galaxy S22+ multi-lens camera system takes incredible high-resolution photos and videos in any environment.

### **Get desktop productivity without a PC**

Samsung DeX lets you power a PC-like experience wirelessly when you need to work on a bigger screen.

### **Keep your data safe and secure**

Protected from the chip up, your devices are safe from intrusion, malware and malicious threats.

## Redefine how business gets done

### Break the rules of productivity

#### Office productivity, built in

- Keep collaboration going with next-level integration of Microsoft Office, OneDrive, Outlook and Teams<sup>1</sup>

#### Your bright ideas, our brightest screen

- Brilliantly bright and silky-smooth videos and conferences on 6.6" FHD+ screen
- Automatically adjusts up to 120Hz, optimizing battery life

#### Carry your PC everywhere

- Samsung DeX lets you work on your smartphone like you would on a PC<sup>2,3</sup>
- Connect wirelessly to a Samsung Smart Monitor or other compatible display<sup>4</sup>, and pair with a Bluetooth keyboard and mouse<sup>5</sup>

#### Phone and PC, beautifully in sync

- Access your phone through your PC with Link to Windows<sup>6</sup>
- Answer texts, take calls, get phone notifications, and drag and drop files between your Galaxy S22+ and your PC<sup>6</sup>

#### Share, stream, collaborate

- Live Share Samsung Notes, Gallery, YouTube, Maps and Jamboard<sup>7</sup>
- Collaborate with shared content in real time, for more productive meetings<sup>7</sup>

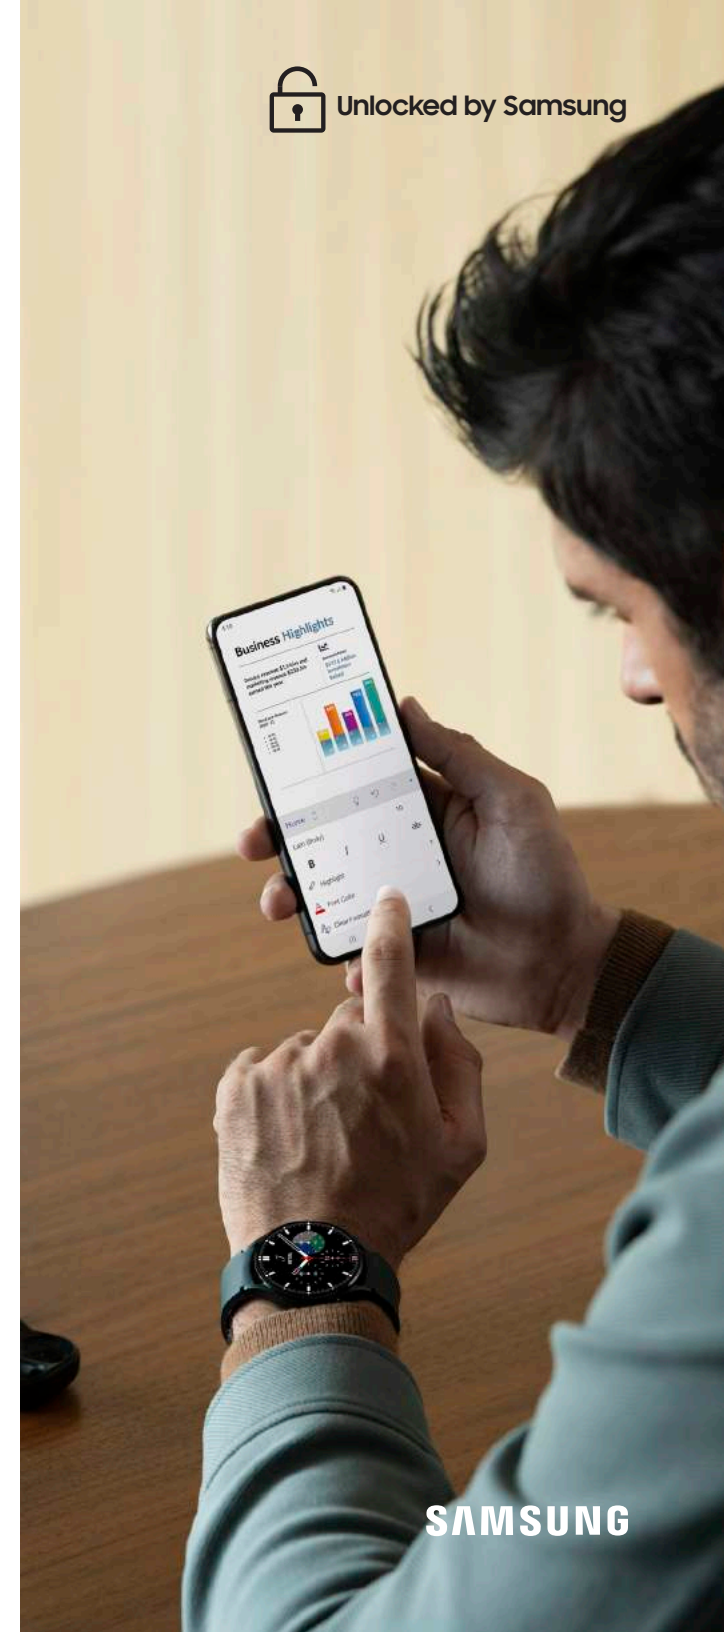

### Capture your business in vivid detail

#### Your business in the best light

- Captures every single pixel of your business with 50MP resolution
- Promote your business by sharing the details of every handcrafted product, every culinary creation, every portfolio piece

#### Tell your brand story in super-smooth 8K

- Professional-looking video, even on the move
- 8K resolution captures every detail<sup>8</sup>
- Auto Stabilization ensures smooth, stunning virtual tours, customer testimonials and product showcases

## Business, uninterrupted

### A battery that keeps up with business

- All-day battery powers you through your entire workday<sup>9</sup>
- Super-fast charging gets you back in action quickly<sup>10</sup>

### The Galaxy's fastest processor

- With the world's first 4nm chip, you can conference, collaborate, browse, create and send without lag

### Your mobile workplace, all in sync

- Galaxy ecosystem makes work easy across your phone, tablet and laptop
- Connect Galaxy Buds Pro and smoothly switch from video conferences to connecting with colleagues
- Start a document on your Galaxy S22+ and finish it on your Galaxy Tab or Galaxy Book

### Designed to impress, built to endure

- Eye-catching glass-metal-glass design
- Increased device durability with Armor Aluminum and Gorilla Glass Victus+, and with an IP68 rating

## Next-level protection

### Helps keep your data safe and secure

- Knox helps protect business data with defense-grade, multilayered security
- Knox Vault combines tamper-resistant Secure Memory with our trusted Secure Processor
- With Knox Manage EMM (sold separately), IT admins can easily manage a fleet of devices to keep business data safe

### Privacy prioritized

- Use Permission manager to quickly review app permissions
- Private Share lets you set time limits on shared files, prohibit screen shots and reshares, and more<sup>11</sup>

### Total care, total reassurance, total control

- Samsung Care+ for Business offers an extended warranty, coverage for accidental damages, and hassle-free device repairs<sup>12,13</sup>
- Real-time support from dedicated technical specialists and engineers can assist you with everything from device deployment to expedited exchanges

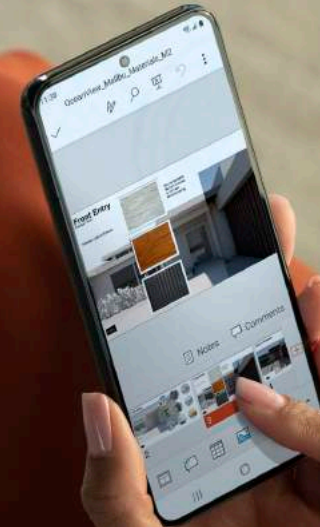

## Unlock greater flexibility

### Unlocked Galaxy S22+ smartphones

- Choose your carrier, or choose no carrier<sup>14</sup>
- No carrier apps pre-loaded, so Galaxy S22+ smartphones perform at peak efficiency

<sup>1</sup>MS Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately. <sup>2</sup>Using genuine Samsung HDMI adapter or cable for Samsung DeX is recommended. <sup>3</sup>Certain apps may not run or require license (for purchase) on Samsung DeX. <sup>4</sup>Wireless DeX requires display with Miracast support. Both devices must be on the same Wi-Fi network. <sup>5</sup>Accessories and monitor sold separately. <sup>6</sup>Link to Windows requires the Your Phone app (free download), a Microsoft account and Windows 10. Some mobile apps may have security features that prevent the mobile app from being viewed on PC. <sup>7</sup>Google Duo enables Live Sharing with select apps. Requires all participants to have Galaxy S22 Series devices with Android 12 OS. <sup>8</sup>Supports Full HD video with up to 60 fps, and 8K video with up to 24 fps. <sup>9</sup>Based on average battery life under typical usage conditions. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns. <sup>10</sup>Wall charger sold separately; use only Samsung-approved chargers and cables. To avoid injury or damage to your device, do not use incompatible, worn or damaged batteries, chargers or cables. Supports 45W charging. <sup>11</sup>Both sender and receiver must have the Private Share app and a Galaxy mobile device with Android 9 or later. <sup>12</sup>Up to three years' coverage available. <sup>13</sup>Samsung Care+ for Business services are sold separately. To learn more, visit [samsung.com/us/business/solutions/services/samsung-care-plus-for-business/](https://samsung.com/us/business/solutions/services/samsung-care-plus-for-business/). <sup>14</sup>5G: This device is compatible with mmWave, Sub-6 and C-band 5G networks. LTE: This device will work on any compatible LTE network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. See provider for details. <sup>15</sup>Total amount of available memory may be less based on configuration. <sup>16</sup>Portion of storage occupied by existing content.
