# Mobile productivity for all

## Intuitive and powerful performance

Features like an immersive 10.5" display, long-lasting battery, easy one-handed use and a versatile camera with an auto-focus rear camera will enhance your workday.

## **Boost business productivity**

Storage options allow team members to keep everything important at hand, while light weight ensures easy portability.

## Safety, security and management

Hardware-based security helps protect data, while management tools and services help IT to keep teams running smoothly.

# Galaxy Tab A8

# Equip the entire team to work more seamlessly from virtually anywhere

# Intuitive and powerful performance

#### Immersive 10.5" display

- Immersive 10.5" 1920 x 1200 WUXGA display lets you easily view images, presentations, documents and videoconferences with clarity
- Large screen offers plenty of room for multitasking

#### Powerful, long-lasting battery

- Up to 13 hours on a single charge<sup>1</sup>
- Fast Charging has you back up and running quickly<sup>2</sup>

#### One UI makes productivity easy

- Find and interact with content easily with one hand
- Dark mode makes usage comfortable in low light

#### Enhanced camera with autofocus

- Enhanced 8MP rear camera with autofocus
- Easily take photos, scan and archive documents
- 5MP front camera is horizontally centered for better video conferencing

#### Premium audio

• Ensures every comment and question is captured in clear detail

# **Boost business productivity**

#### Always connected

• Wi-Fi 5 and Bluetooth 5 give you LAN connectivity

#### Perfectly portable

- Thin and light (just over a pound)
- Ideal for remote workers

### Bring it all with you

- Choice of 32GB, 64GB or 128GB
- Expand up to an additional 1TB with a microSD card<sup>3</sup>

# Safety, security and management

#### Defense-grade security

- Hardware-based security platform helps protect data from the chip up.<sup>4</sup>
- Isolates, encrypts and secures data, while providing close integration with leading enterprise mobility management tools<sup>5</sup>

#### Secure, manage and customize

- Knox Business Services helps you at every stage of the device lifecycle<sup>5</sup>
- From device configuration, enrollment and management, to advanced mobile security controls and updates<sup>5</sup>
- Manage devices in near real time, configure settings, and remotely lock or wipe devices if lost or stolen<sup>5</sup>
