Galaxy AI ✨ meets  Copilot+PC*

*Copilot+ PC experiences will not be available on Galaxy Book5 Pro 360 at launch. Will be available via future update. Availability is dependent on Microsoft's release schedule. See aka.ms/copilotpluspc. Copilot requires an Internet connection and Microsoft account. Galaxy AI features require compatible phone, Samsung account and internet connection.

A new way to PC

Supercharged AI performance

Transform how you create with the next-gen performance of the new Intel® Core™ Ultra Series 2 processor. Stacked with Intel® ARC GPU and a dedicated NPU, this powerful chipset handles the most demanding AI tasks quickly and efficiently.

All-day battery keeps the show going

With up to 25 hours of video playback, this long-lasting, fast-charging battery is ready for your longest movie marathons.

Portable. Flexible. Incredible.

A versatile 2-in-1 design bends over backward for your creativity. Sleek and superthin, this premium PC is made to go places.

Your brilliance on full display with less glare

The stunningly clear Dynamic AMOLED 2X display makes content pop, with a wide color gamut and smooth scrolling refresh rates up to 120Hz. Vision Booster adaptive brightness technology and anti-reflective Corning® Gorilla® Glass with DX helps reduce glare and keeps content looking crisp from all angles in bright light.

Creativity you can feel

Fine-tune projects with the multi-touch gestures and enhanced tilt sensitivity of the included S Pen. Writing and drawing feels natural on this stunningly responsive touchscreen.

Plenty of ports

HDMI, USB-A, two Thunderbolt 4 ports, a headphone jack and microSD slot keep your day dongle-free.
