## Galaxy Watch8

Galaxy AI ✨

Galaxy AI features track data and require compatible Samsung Galaxy phone, Samsung Health app and Samsung account. The heart rate software functions are not intended for medical use.

## The Watch that helps drive your day

Galaxy Watch8 is built for businesspeople who don't leave success to chance. Combining a sharp, sleek design with AI capabilities, it packs a serious punch of enhanced performance, longer battery life and smart health tracking to keep your team locked into its business and wellness goals, wherever they may lead.

This is more than a watch — it's a way to stay productive, healthy and a step ahead of your competition.

### **Sleep smarter. Achieve more.**

Energize your workdays with a great night's rest using Advanced Sleep Coaching<sup>1</sup> — improved with even more ways to keep your nights on track.

### **Monitor your health habits to help support vascular health**

Track your Vascular Load<sup>2</sup> as an indicator of your overall health and lifestyle habits.

### **New design. Lightweight feel.**

Look like a pro in any work environment with a watch that's stylish, lightweight and powerful.

### **A personal assistant, right on your wrist**

Stay one step ahead of your workday with a personal AI assistant<sup>3</sup> that can help navigate tasks and everyday business needs.

### **See what you need, at a glance**

See all the updates you need — like emails, texts, weather and important work notifications — easily at a glance with an improved interface.

### **Power through your workday**

Stay powered up with a battery that keeps up with your active workdays.<sup>4</sup>
